

# ITSNZ MEMBERSHIP INFORMATION 2022

[www.itsnz.org](http://www.itsnz.org)

# ITSNZ MEMBERSHIP SUPPORTS:

- ▶ Conferences and awards
- ▶ Events, networking and learning opportunities (membership discounts apply)
- ▶ Government and cross-sector engagement
- ▶ Skills and career development (Young Transport Professionals)
- ▶ Development of Youth and Diversity
- ▶ International connections
- ▶ Promotion through industry news and communications
- ▶ Industry research and advocacy

## - *Driving the Future Transport Conversation*

Since 2004, ITSNZ has been New Zealand's peak body for Intelligent Transport Systems and future transport solutions.

Advocating, educating and linking industry, government and academia.

Connecting New Zealand to a global network of ITS organisations.

[www.itsnz.org](http://www.itsnz.org)

## KEY STRATEGIES FOR 2021-2022

- ▶ Advocate for ITS and technology solutions to support transport outcomes
- ▶ Promote New Zealand as a great place for the development and testing of innovative transport solutions
- ▶ Build cross-sector and international relationships
- ▶ Develop Young Transport Professionals initiative
- ▶ Increase engagement with academia and support research
- ▶ Support industry networking and awareness through high quality events

# EVENTS & ACTIVITIES

## ▶ Events Programme

- ▶ “Expert Series” Webinars and IRL/physical events exploring technologies, trends, challenges and solutions (6+ per year)
- ▶ “T-Tech Speaker Series” webinars
- ▶ Young Transport Professionals events

## ▶ T-Tech Future Transport Conference 2022

## ▶ Government and Cross-sector Engagement

- ▶ Industry surveys
- ▶ Submissions and contribution on government policy, opportunities for Workshop participation
- ▶ Driving public discussion and advocating through media and events

# OUR MEMBERS

We appreciate the support from our members to raise the profile of ITS, technology and data solutions.

Driving the transport conversation and making transport more sustainable, safe and efficient.
